

HANOVER BOROUGH

Now Accepting PLASTICS #1 - #7

Starting March 1, 2017 at the public works recycle yard. 139 North St.

As the Hanover Borough Public Works dept. continues its study of our current trash system we are expanding our recycling program by adding plastic. The initial roll-out of this expansion will involve collecting the plastics at our public works yard and working with different vendors to accept the product. The borough hopes to continue to expand and modernize our current trash system to better serve our residents. Please call 717-632-3939 with any questions

Please recycle the following clean plastics:

- Plastic water, juice & soda bottles.
- Plastic clamshells (baked goods & produce containers).
- Yogurt containers.
- Plastic containers & bottles #1 through #7. This may include shampoo bottles, liquid detergent containers, condiment bottles, kitty litter buckets, etc.
- Check the container to find the designated number.

- **Remove caps or lids.**
- **Rinse thoroughly to remove any residue.**
- * Plastic toys and furniture cannot be accepted at this time.
