Mr. Mains reminded the Committee that at the last meeting a short list of consultants was interviewed including Dewberry and JMT and we are now at the decision-making point for the team the Committee thinks is best. The Committee discussed the strengths of both firms, and Mr. Hegberg stated that that the goal of the “Streetscapes” is to create an environment where businesses and patrons want to come downtown.

**Public Comment** – Main Street Manager Justine Trucksess agreed and emphasized the importance of safety in alleys with additional lighting. “The Borough has invested in downtown, therefore I’m going to bring my business here.”
