**Garden and Leaf Waste will be collected on the second full week of May and October (same as Recycling Schedule above!) - NO STICKERS WILL BE REQUIRED.**

We will collect these items at the same location you place your regular household refuse for collection (either in the alley, or on the front curb):

- **Bi-metal/Steel/Aluminum cans may be comingled together in the same container.**
  - **Bi-metal/Steel Cans** consist of fruit, vegetable, and soup cans and must be cleaned (may not contain any food residue) and placed in the recycling container provided.
  - **Aluminum Cans** are usually beverage cans such as beer and soda cans and must be cleaned. These can be placed in your recycling bin along with your bi-metal/steel can. Magnets do not stick to aluminum. **DO NOT place other aluminum products in your recycling container.** (Pie plates, frozen dinner plates, and pans, are examples of other aluminum products).
- **Corrugated cardboard** is any cardboard with a corrugated texture. **Paperboard** includes cereal boxes, shoe boxes, etc. These items **must** be bagged or bundled and kept dry! **No whole boxes or loose pieces of cardboard may be placed out for collection. ALL boxes must be broken down, bundled and may not contain any food waste residue.**
- **Newspapers** must be bagged or bundled and kept dry!

All residents are required to have Mandatory Recycling Garbage Service and use curbside collection for corrugated cardboard/paperboard, bi-metal/steel/aluminum cans, and newspaper. **Residents can continue to recycle plastics (#1, #2, and #5 ONLY), glass bottles (bottles only, no other glassware accepted) and quality paper/magazines/phone books/etc. by bringing them to the Public Works Recycling Center at 139 North Street, Monday-Friday 6AM-3PM, and Saturdays 7AM-12PM.** If you have any questions, please call the Hanover Borough Public Works Department, (717) 632-3939.

Thank you for supporting our recycling efforts and local environment!
